

Wildlife SOS – Update Regarding Covid19

Worldwide we are all experiencing unprecedented times due to the pandemic. Firstly, we want to reassure you that throughout lock-down our animals are experiencing the very best of care, as ever, by their devoted keepers.

Also, we want to let you know that like all organisations world-wide, we are in the process of reviewing our programs and making the changes necessary to ensure our Volunteering Program is able to re-open as soon as is possible, providing the best of experiences whilst ensuring yours and our safety.

Volunteering Program Bookings for 2020/21

No one is able to say when or how life will become more normal again, nor when it will be possible to travel, however we know that it will. With that in mind we are currently taking bookings for November 2020 onwards, and your booking will be completely flexible. If, due to the pandemic, it is still not possible to travel we will be happy to rearrange your booking for any time in the next **2 years** at no cost whatsoever to yourself.
